SHARIQUE SAIFI

Aspiring Data Analyst | B.Sc. Mathematics

Meerut, Uttar Pradesh, India | Phone: +91 7464975011 | Email: shariquesaifi74749711@gmail.com

PROFESSIONAL SUMMARY

Analytical and detail-oriented aspiring Data Analyst with a strong quantitative foundation in Mathematics and two years of hands-on professional experience in administration and facility operations. Proficient in Excel-based records, inventory management, operational reporting, and actively training in SQL, Power BI, Python, and Machine Learning. Seeking an entry-level Data Analyst opportunity to solve business problems through structured analysis.

TECHNICAL SKILLS

Spreadsheets & BI:	Microsoft Excel (PivotTables, XLOOKUP, INDEX-MATCH, SUMIFS, Power Query, Slicers, Dashboards), Power BI (DAX, Data Modeling, KPI Cards, Interactive Reports)
Databases & SQL:	SQL (SELECT, WHERE, GROUP BY, JOINs, Subqueries, CTEs, CASE Statements, Window Functions, Ranking, Views)
Programming & ML:	Python (Pandas, NumPy, Matplotlib, Seaborn, Exploratory Data Analysis), Machine Learning (Scikit-learn, Regression, Classification, K-Means)
Operational Skills:	Analytical Thinking, Inventory Tracking, Operational Documentation, Dead-Stock Monitoring, Vendor Coordination

PROFESSIONAL EXPERIENCE

Fintech Services | Facility Executive — Administration and Operations

Duration: 2 Years | Location: India

- Coordinated daily facility operations, vendor workflows, security, and asset management across operational units.
- Maintained operational databases and inventory ledgers in Microsoft Excel with rigorous accuracy.
- Coordinated vendor quotations, analyzed cost comparisons, and supported procurement approvals.
- Monitored stock availability, recorded dead-stock, and scheduled proactive replenishment to prevent workflow delays.
- Synthesized operational documentation and scheduled periodic reporting for management review.

EDUCATION & TRAINING

B.Sc. in Mathematics | Chaudhary Charan Singh University (CCS University)

Graduation Year: 2022 | Meerut, Uttar Pradesh

- Coursework: Differential Equations, Linear Algebra, Real Analysis, Discrete Mathematics, Probability & Numerical Methods.

Data Analytics Training | Skill Stack Hub

Status: In Progress (2024)

- Comprehensive training curriculum covering Excel for Analytics, Relational SQL, Power BI Modeling, Python for Data Science, and Machine Learning algorithms.

PROJECT PORTFOLIO (PRACTICAL CASE STUDIES)

- **Excel Projects:** Sales Performance Dashboard, Chocolate Sales Profitability, Hotel Cancellation Analysis, E-commerce Trends, Inventory & Stock Health.
- **SQL Projects:** Sales Manager Performance, E-commerce Order/Revenue Analysis, Hotel Booking Queries, Employee HR Analytics, Customer Retention Cohorts.
- **Machine Learning:** House Price Prediction, Customer Churn Classification, Sales Forecasting, Customer Segmentation (K-Means), Student Academic Prediction.
- **Power BI:** Interactive Executive Sales & Revenue BI, Hotel Booking Analytics, Chocolate Sales Intelligence, E-commerce Insights, Healthcare Utilization Dashboard.
